Saturday dance classes Prep – Year 7

Getting kids moving

ABOUT DANCE CART KIDS

Due to popular demand and based on the same philosophy as our school program, Dance Cart has brought the magic of the In-schools program to a wider audience with the introduction of Dance Cart Kids and Vacation care programs.

At Dance Cart Kids we are passionate about fostering a love of dance, in a non-competitive, inclusive and supportive environment. Fun and fitness is one of our main goals and something we strive to achieve with each lesson.

By prioritising social and emotional growth, Dance Cart Kids sees its students gaining valuable confidence, self worth and independence.

Our teachers get so much joy watching your kids flourish mentally, physically and socially – all through the magic of dance.

Students in our Dance Cart Kids program can also gain valuable performance skills as we are sometimes invited to perform at local community events and school fetes.

Dance Cart Kids is an affordable and much loved alternative to Studio dance.
